Subject: Possible get together at WCC

Hi Dennis,

I hope all is well. I will be attending the WCC meeting today and tomorrow and thought if you have the time I could give you a debrief on the meeting with Sussman last week regarding the requested 404(c) for the area near Bristol Bay (any time convenient for you) I understand if you are too busy. Either way I look forward to seeing you. All my best,

Wayne Natri
